

ABOUT US

Private air charter that is affordable!

Enjoy an exclusive experience, free from hassles, and on your own schedule.

Corsair Aviation is the leading provider of air taxi services in the Los Angeles area.

Using our luxurious aircraft equipped with state-of-the-art Garmin glass panel avionics, we can transport passengers and cargo to regional locations throughout the Southwestern U.S.

Whether you are looking to take business travel to the next level or arrive in style at your next weekend getaway, the sky is yours!
